

## Blue Grove Hill Sauvignon Blanc 2005

This beautifully elegant Sauvignon Blanc is the manifestation of the wonderful team effort of all those involved at Capaia winery. Though small, this 2nd harvest from the young vines shows all the promise of the great quality expected here. Following careful selective picking, the grapes were gently processed in the cellar. The high quality must was then partially fermented in wooden vats, and became the basis for the complex beauty and true varietal character of the wine. Blue Grove Hill Sauvignon Blanc 2004 reached 90 points in a review about the best Sauvignon Blanc 2003/2004 in the German wine magazine "Alles über Wein", issue 03/04.
